

## PERENNIALS THAT SERVE AS EFFECTIVE GROUND COVERS

- Achillea tomentosa* (Woolly Yarrow)  
*Aegopodium podagraria* 'Variegatum' (Bishop's Weed)- very aggressive  
*Ajuga* (Bugleweed)  
*Alchemilla mollis* (Lady's Mantle)  
*Anemone canadensis* (Canada Windflower)  
*Antennaria* (Pussy Toes)  
*Arabis* (Rock Cress)  
*Armeria* (Thrift)  
*Artemisia stelleriana* 'Boughton Silver' / 'Silver Brocade' (Beach Wormwood)  
*Asarum canadense* (Canada Wild Ginger)  
*Asarum europaeum* (European Ginger)  
*Aster cordifolius* (Heart-Leaved Aster)  
*Aster macrophyllus* (Large-Leaved Aster)  
*Athyrium niponicum* var. *pictum* (Japanese Painted Fern)  
*Bergeria* (Bergeria)  
*Brunnera macrophylla* (False Forget-Me-Not) & its cultivars  
*Cerastium* (Snow-in-Summer)  
*Convallaria majalis* (Lily-of-the-Valley)  
*Cystopteris bulbifera* (Bulblet Bladder Fern)  
*Cystopteris fragilis* (Fragile Fern)  
*Dianthus deltoides* (Maiden Pink) & its cultivars  
*Dianthus gratianopolitanus* (Cheddar Pink) & its cultivars  
*Epimedium* (Barrenwort)  
*Euphorbia corollata* (Flowering Spurge)  
*Filipendula vulgaris* (Dropwort)  
*Fragaria* (Ornamental Strawberry)  
*Galium odoratum* (Sweet Woodruff)  
*Geranium macrorrhizum* (Bigroot Cranesbill) & its cultivars  
*Geranium maculatum* (Wild Cranesbill)  
*Geranium sanguineum* (Bloody Cranesbill) & its cultivars  
*Geum triflorum* (Prairie Smoke)  
*Gypsophila repens* (Creeping Baby's-Breath)  
*Herniaria glabra* (Common Burstwort)  
*Heuchera* (Coral Bells)  
*Hosta* (Hosta)  
*Iberis* (Candytuft)  
*Iris cristata* (Crested Iris) & its cultivars  
*Lamium galeobdolon* (Yellow Archangel) & its cultivars ('Florentinum' is very aggressive)

*Lamium maculatum* (Spotted Dead Nettle) & its cultivars  
     *Lysimachia nummularia* (Moneywort)  
         *Nepeta* (Catmint)  
     *Oenothera macrocarpa* (Ozark Sundrops)  
         *Opuntia* (Prickly Pear)  
         *Pachysandra* (Spurge)

*Phalaris arundinacea* (Ribbon Grass) & its cultivars - very aggressive  
     *Phlox* (Creeping Phlox - Subulata Group)  
     *Phlox divaricta* (Woodland Phlox) & its cultivars  
     *Phlox stolonifera* (Creeping Phlox) & its cultivars  
         *Podophyllum peltatum* (Mayapple)  
     *Polemonium reptans* (Creeping Jacob's Ladder)  
     *Polygonatum humile* (Dwarf Solomon's Seal)  
     *Potentilla neumanniana* 'Nana' (Spring Cinquefoil)  
     *Potentilla tridentata* (Wineleaf Cinquefoil)  
         *Prunella vulgaris* (Common Selfheal)  
         *Pulmonaria* (Lungwort)

*Ranunculus repens* (Creeping Buttercup) - very aggressive  
     *Sagina subulata* (Corsican Pearlwort)  
     *Saponaria ocymoides* (Rock Soapwort)

*Sedum* (Stonecrop) - numerous low creeping types  
     *Sempervivum* (Hen-and-Chicks)  
         *Stachys* (Betony)

*Symphytum grandiflorum* (Comfrey) & its cultivars  
     *Tellima grandiflora* (Alaska Fringecup)  
     *Teucrium x lucidrys* (Germander)  
     *Thalictrum kiusianum* (Kyushu Meadow Rue)  
         *Thymus* (Thyme)  
         *Tiarella* (Foamflower)

*Vancouveria hexandra* (American Barrenwort)

*Veronica prostrata* (Rock Speedwell) & its cultivars  
     *Veronica repens* (Creeping Speedwell)  
     *Veronica spicata* subsp. *incana* (Woolly Speedwell)  
     *Veronica* 'Waterperry Blue' (Speedwell)  
     *Vinca minor* (Periwinkle) & its cultivars  
         *Viola* (Violets)  
         *Waldsteinia* (Barren Strawberry)
